

**BLONDER  
TONGUE**  
LABORATORIES, INC.

**Peregrine Communications, Inc.**  
**is now the stocking distributor for the**  
**Blonder Tongue product line!**

Peregrine is celebrating 20 years of engineering excellence and is proud to announce our partnership with Blonder Tongue! Contact Jim Kosiara at 800 359-9660 x255 and arrange a time to discuss your next Blonder Tongue project.

Founded in 1950, Blonder Tongue Laboratories is a leading U.S. designer, manufacturer, and supplier of a comprehensive line of broadband systems equipment and technical engineering services for Voice, Video, and Data service providers. With optimized technologies, simplified deployment and technical assistance, the provider can reduce costs, increase customer satisfaction and increase profitability.
